From: *Acting* Superintendent, Petrified Forest National Park *TRM C*

Subject: Amendment to 2012 Superintendent's Compendium

The following amendments to the use of bicycles in the park are effective as of the date of this memorandum.

Under 36 CFR 4.30, Section III (General Regulations) of the Compendium are listed the specific park regulations on bicycle use. Bicycle use on Old Highway 180 in the Rainbow Forest area is listed as prohibited in the Compendium. Bicycle use is now allowed on the eastern section of Old Highway 180 from the intersection with the main park road and continuing eastward to the park boundary. Additionally, bicycle use is allowed on the wide paved section of the Long Logs trail from the gated entrance to the trail near the park road to the old trailhead loop area (approximately ½ mile long). Finally, the unpaved trail from the picnic area at Rainbow Forest to the base of the mesa (approximately one mile long) is open to bicycle use.
